**EMBO Workshop**

The programme for this event was reviewed and approved by the EMBO Course Committee.

**Complex Systems in Immunology**

2 – 4 December 2013 | Biopolis, Singapore

**Speakers**

Jean-Pierre Abastado  
Singapore Immunology Network (SIgN), SG

Alan Aderem  
Seattle Biomedical Research Institute, US

Subhra Biswas  
Singapore Immunology Network (SIgN), SG

Peer Bork  
European Molecular Biology Laboratory (EMBL), DE

Arturo Casadevall  
Yeshiva University, US

Edda Klipp  
Humboldt University of Berlin, DE

Maria Leptin  
European Molecular Biology Organization (EMBO), DE

Andrey Levchenko  
Johns Hopkins University, US

Matthias Mann  
Max Planck Institute of Biochemistry, DE

Garry Nolan  
Stanford University, US

Norman Pavelka  
Singapore Immunology Network (SIgN), SG

Nikolaus Rajewsky  
Max Delbrück Center for Molecular Medicine, DE

Daniela Rhodes  
Nanyang Technological University, SG

Fabio Stella  
Università degli Studi di Milano-Bicocca, IT

Giulio Superti-Furga  
CeMM Research Centre for Molecular Medicine of the Austrian Academy of Science, AT

Irina Udalova  
Imperial College London, UK

Jan Vabsinder  
Nanyang Technological University, SG

**Organizers**

Paola Castagnoli  
Philippe Kourilsky

**Co-organizers**

Subhra Kumar Biswas  
Norman Pavelka

Michael Poidinger  
Francesca Zolezzi

**Registration**

Deadline before  
1 September 2013

Academic .................................. SGD250  
Non-Academic .............................. SGD500
